IMPORTANT REMINDER From the Executive Board:

- When submitting a UOF, programs agree to take care of the facility they are using. Now that indoor spaces are being used, please remember that doors may NEVER be propped open. A UOF can be pulled if this occurs. It is a program's responsibility to have a volunteer at the door to open and close it for participants. (We will check on the requirement – adult vs. student volunteer.)
- Programs are also responsible for the behavior of their participants and those accompanying them. Keep your parents accountable for any siblings who are present during practices and games.
- Before leaving a facility, it is a good practice to check in with Facilities to confirm the space is as you found it or better.
